

## **CLARE COUNTY**

You have an opportunity to be a part of history with the 'Veterans Freedom Park' in Clare County that is unique for the entire State of Michigan. We would like to ask for your help with our **'Brick Paver Campaign'**. *We need to sell at least 1000 bricks by July 4<sup>th</sup>*. The business or organization that sells the most bricks by July 4, 2013, will earn a free brick paver. This would bring us 1/3<sup>rd</sup> of the way to our final goal with what we have already raised; which would enable us to start *phase one* in building the park. These memorial bricks will be located throughout our whole park as a permanent reminder of those veterans that served this great nation. There is no better way to honor your veteran or service member than by purchasing a brick for them! This would make a great gift. We do not have a suitable veteran's memorial anywhere close to this location that gives tribute to ALL veterans and war eras; that honor our nation's heroes. Please see the final design on our website that is listed below; that was recently released to the public. This will be a state of the art park with a Kiosk system and an education trail with heated pathways that will surround the park with side areas dedicated just for the war eras. We need to raise \$400,000.00 to make this a reality.

It is our motto to **'Remember, Honor and Reflect'** on the great sacrifices that our past and current service men and woman have made. You can be a part of helping us reach this goal!
